

Material Safety Data Sheet

Section I

Identity: ReeCourse Greens

Manufacturer's Name: Bio Soil Enhancers, Inc.
Address: 1161 James Street
Hattiesburg, MS 39401

Emergency Telephone Number: (601) 582-4000
Telephone Number for Information: (877) 888-2744

Section II - Hazardous Ingredients/Identity Information

Hazardous Components (Specific Chemical Identity, Common Name(s)): N/A

OSHA PEL: N/A **ACGIH TLV:** N/A **Other Limits Recommended:** N/A

Section III - Physical/Chemical Characteristics

Boiling Point: 100°C **Specific Gravity (H₂O = 1):** N/A
Vapor Pressure (mm Hg): 15 lb **Melting Point:** N/A
Vapor Density (AIR = 1): N/A **Evaporation Rate (Butyl Acetate = 1):** N/A
Solubility in Water: 100%

Appearance and Odor: Black, Odorless, Colorless when diluted

Section IV - Fire and Explosion Hazard Data

Flash Point (Method Used): N/A **Flammable Limits:** Zero
Extinguishing Media: N/A **LEL:** N/A
Special Fire Fighting Procedures: N/A **UEL:** N/A
Unusual Fire and Explosion Hazards: N/A

Section V

Stability: This product is stable

Conditions to Avoid: Exposure to high temperatures for extended periods of time

Incompatibility (Materials to Avoid): This product is incompatible with fungicides and toxic herbicides

Hazardous Decomposition or Byproducts: Product does not produce any hazardous byproducts and is biodegradable

Hazardous Polymerization: Will not occur under any condition

Section VI - Health Hazard Data

Route(s) of Entry	Health Hazards (Acute and Chronic)	
Inhalation: No	Carcinogenicity	NTP: No
Skin: No	IARC Monographs: N/A	
Ingestions: No	OSHA Regulated: Yes	

Signs and Symptoms of Exposure: N/A

Medical Conditions Generally Aggravated by Exposure: None known

Emergency and First Aid Procedures: Rinse thoroughly with soap and water. Remove from exposure. Provide fresh air. In case of irritation, allergic symptoms, or ingestions, seek medical attention

Section VII - Precautions for Safe Handling and Storing

Steps to Be Taken in Case Material Is Spilled: Clean with soap and water

Waste Disposal Method: Follow same disposal protocol as with any other non-hazardous, biodegradable liquid waste

Precautions to Be Taken in

Handling and Storing: Avoid storing in extreme temperatures for long periods of time. Store in temperature-controlled areas between 40°F and 70°F if possible. Leave at least one inch airspace between top of container and product.

Section VIII - Control Measures

Respiratory Protection (Specify Type): Recommended but not required

Ventilation: Recommended but not required

Eye Protection: Recommended but not required

Protective Gloves: Recommended but not required

Other Protective Clothing or Equipment: Recommended but not required. Product will stain.

Work/Hygenic Practices: Use normal good manufacturing and housekeeping practices.

Special/Other: Product should be kept in original container with proper labelling whenever possible.

If not possible, transfer to a spill-proof container and leave at least one inch of space between the product and the top of its new container.
